Chapter Director's Spiel

Well, we're still a little confused about GWRRA closing, and what comes next, but some of the dust is finally settling a little, and we're getting a better idea of the overall picture. There's more information coming out frequently, and that is always good, it makes it a little easier to make some of the necessary decisions, hard to decide what to do when you don't have all the facts. We had a chapter meeting with as many of the chapter members as possible, attending, to discuss what all we knew and to get feedback from as many as possible about how we wanted to proceed. It was a fruitful meeting and a lot of issues got resolved for how the chapter is going to function going forward. Bottom line is that we will continue on as we have been, still enjoying the friendship and camaraderie and riding together, just without the "GWRRA" branding. We were notified that Gary Hamilton, TN District Director, had joined the TN District to the new Eagle Wings Motorcycle Association and was encouraging the chapters to also join. We are in the final steps to gather all the necessary information about members, etc., before submitting our application to join the chapter to the EWMA. Loretta & I have already submitted out membership application. We feel comfortable with what we've heard of the new organization, and we can see how things turn out this first year of membership.

We are working on generating a much closer relationship with the TN-A2, Maryville chapter, whenever I send out an email to our chapter members about an upcoming ride, I will copy it to the TN-A2 CDs and Ride Coordinator, and they will do the same to us. We have already started this, the September Romeos Ride had a couple A2 members join Ken Gray (see his article below), and the chapter ride to the Wheels Thru Time Museum on September 20, more A2 members joined us (see the article below).

Can you believe it, we're just about into September already, and what most of the public considers "Summer" is just about over. Thankfully, not for us, we still have a lot of riding time coming and there are several good rides scheduled on the Ride Calendar, so we hope you check things out and consider joining us on some fun rides. As I'm sitting here finishing up this newsletter, I am in the final stages of getting everything ready to ride to the KY rally this weekend, and after it, we still have 5 more rallies to go to, finishing up with the MS rally at the middle of October.

Hope you're all doing well, and we hope to see you at some chapter event soon, take care, stay safe,
Brian & Loretta Richards, TN-M Chapter Directors

Assistant Chapter Director

I hope everyone is doing well. We have many great rides coming up. I hope you have to opportunity to join us for the rides and of course the ice cream.

Russ Wools, TN-M Assistant Chapter Director

Chapter TN-M 2022 Couple Of the Year

Greetings All; Can you believe it is almost September already? Like they say, "Time flies when you are having fun" and August has been a fun and interesting month.

On the 6th Russ led us on a great ride to The Pinnacle at Cumberland Gap where we enjoyed a picnic part way up the mountain and then proceeded up to the top where we could see Tennessee, Kentucky, and Virginia. What a great view and a beautiful day for a ride until the storms moved in. Most of us got soaked before getting home.

On the 16th, Loretta & Brian and Renee & I took the 4 wheels to Chapter C in Church Hill and were able to capture the East Tennessee Travelling Plaque. This plaque will be up for grabs at our September gathering.

Aug 20th we were finally able to get to Wheels Thru Time Motorcycle Museum. Russ led us on a great ride through the Smokies to get there. We were joined by three Chapter A-2 members which we really enjoyed having them along. Another great day for riding with a final stop at Bruster's Ice cream in Maryville.

The Dinner Ride this month by Bob Fisher took us to The Gondolier Restaurant in Midway. We had 6 bikes with 8 members ride from Lenoir City to join the rest of the group for a total of 18 members enjoying good food, fun, and socializing.

Renee & I have joined the new Eagle Wings Motorcycle Association. and I have sent in my membership for 1 year to the new Wing'D Riders Association to watch how that organization will be progressing. My personal hope is that they will work together to make riding even more enjoyable for all of us.

That's all for now,

Mel & Renee McInerney, TN-M 2022 Couple Of the Year

Chapter Awards & Winners from the August Chapter Gathering

50 / 25-25

George Maples/Bob Fisher & Mel McInerney

STAR AWARD:

Russ Wools for the great ride routing he did for the chapter picnic ride to the Pinnacles, KY

WHOOPS AWARD:

Brian Richards for cleaning out everything in his bike's trunk, prior to putting it in for service, and forgetting that, and taking it for a ride to meet Mel & Renee and Russ & Giselle for dinner, and locking their helmets to the bike, while the lock key was back home with the rest of the stuff out of the trunk!

I'm proud to wear my TN-M Shirt!

Was not done this month.

Chapter M "Out Having FUN!"

TNM Misc Member's ride, August 13th

Russ Wools

Back on July 16, we had the Bourbon Trail chapter ride that Mel, Renee and I went on. Aug 13, I decided to extend that trip to a few more of the distilleries. I also had a craving for White Castle. I left at 0730 to head up Hwy 27 to KY. I then took Hwy 150 over to Hwy 127 in Danville, KY. I didn't purchase any bourbon at Wilderness Trail during the chapter ride. Since I was riding very near there, I stopped there first and got a bottle. I continued up Hwy 127, passing a sign that said Four Roses to the left. I turned around and stopped there. I got another souvenir and bottle of bourbon. I continued up Hwy 127 to Frankfort, KY stopping at Buffalo Trace. I

really wanted some Blanton's but it is very hard to come by. Leaving Buffalo Trace, I ended up on a single lane road for a stretch to stop at Castle & Key Distillery. It looks like a castle from the front. It is a very old distillery that was abandoned for some time before being purchased and reopened. They unfortunately were fresh out of bourbon. I left there and headed back toward home on Hwy 27. I satisfied my craving with 9 white castles. (don't judge me they're small, but have big taste!!) Then made it official with a stop at DQ for a sundae. I look like I could open a small bar with my 4 bottles of bourbon, oops now 3, since I emptied one already. A great day all together with perfect weather, 12hrs riding and 450 miles.

TNM ROMEO's ride, August 17th

Russ Wools

I was the first person to arrive at the Cracker Barrel parking lot around 9:10 a.m. Within a few minutes, four other people showed up, a couple from the TN-A2 Maryville chapter. After a brief rider's meeting, we left the Cracker Barrel promptly at 9:30 a.m. It was a beautiful day for a ride. Morning temperatures were in the upper 60's and the sun was shining. My plan was to zig and zag our way down to Dayton and then take highway 30 through Pikeville and then route 101 over to Crossville. Traffic was light and we were enjoying the ride, except for a brief holdup for mowing and utility work on highway 72. Temperatures were in the low to mid 70's by now. At some point we were riding on a road that I had never been on before and came to an unexpected intersection. I turned right when I should have turned left. After about a half a mile, I realized my mistake, but since we had no specific destination on our agenda, I decided to calculate a new route. We ended up heading back to Kingston instead of Dayton. We stopped at the Weigel's in Midtown for gas and a rest stop, then went next door to the Burger Station for lunch. I received several good comments about the food and service as we finished eating. Since we were a long way from Dayton, we decided to ride the Devil's Triangle after lunch. We took highway 27 through Harriman and then a fun side trip on route 328. It had lots of curves and nice scenery with no traffic. Then route 61 to Oliver Springs and route 62 to the turn off for the Devil's Triangle at route 116. Again, temperatures in the mid 70's, lots of curves, beautiful scenery and no traffic. I was having a great time and I hope the rest of our group was enjoying the ride as much as I was. Upon returning to Oliver Springs, I was planning a rest stop at the Marathon station to regroup and decide how we would split up and head home. At the intersection about a quarter mile before the Marathon station, I turned right and Joe decided that now would be a good time to head back to Clinton, so he turned left. Unfortunately, the rest of the group decided to follow Joe instead of me, so I did not get the chance to discuss how much they enjoyed the ride. I finished the ride by myself and thoroughly enjoyed the ride, except for the holdup on highway 72 for mowing and utility work. For me, the ride was 161 miles, driveway to driveway.

I enjoyed the ride so much that the next day I went back to where I had made the wrong turn on the road I had never been on before and explored that area. More beautiful weather, nice scenery, fun roads and no traffic. It was another 79 miles of great riding.

TNM ride to the Wheels Thru Time Museum, August 20th

Brian Richards

Our thanks to Russ Wools for setting up a very enjoyable ride to the Wheels Thru Time Museum, he set us up on some enjoyable roads with scenery and fun curves, what more could you ask for? We had a good group, 8 TN-M members on 6 motorcycles and we were joined by 3 TN-A2 members on 3 motorcycles.

After enjoying the ride to the museum, the A2 members, who had already been through the museum, sat around for a bit of relaxation before heading home. The rest of us split, a couple of us that also had been through it before, sat out on a picnic table in the shade and people watched, including enjoying a member of the WTT staff taking kids and a few ladies, on a ride around the parking area in a sidecar rig and doing circles with the sidecar wheel off the ground, to the extreme enjoyment of the kids. The rest of us did the tour and saw a lot of motorcycle history, very information and enjoyable.

TNM dinner ride, Gondolier's, August 23rd
Brian Richards

Our thanks to Bob Fisher for picking the place. We had our FIRST actual dinner "RIDE", 8 members on 6 motorcycles left the Cracker Barrel back parking lot at 5:15pm and road north on 321 then west on 70 all the way to Harriman and turned into the shopping center where the Gondolier's was located. Our group entered the restaurant to find 10 more chapter members there waiting for us, so we had a really nice group. Lots of storytelling and laughs around the row of tables the Gondolier's staff set up for us. I think everyone enjoyed the food, so it was a successful evening. Leaving the Gondolier's, everyone picked their best way home.

OLD AIN'T WHAT IT USED TO BE

Don't be worried about your smartphone or TV spying on you. Your vacuum cleaner has been collecting dirt on you for years.

If you can't think of a word, simply say, “*I forgot the English word for it.*” That way people will think you're bilingual instead of an idiot.

I'm at a place in my life where errands are starting to count as going out.

I don't always go the extra mile, but when I do, it's because I missed my exit.

My goal for 2022 was to lose 10 pounds. Only have 24 to go.

Ate salad for dinner. Mostly croûtons and tomatoes. Really just one big round croûton covered with tomato sauce and cheese. FINE, it was a pizza.... OK, I ate a pizza! Are you happy now?

I just did a week's worth of cardio after walking into a spider web.

I don't mean to brag, but I finished my 14-day diet food supply in 3 hours and 20 minutes.

A recent study has found women who carry a little extra weight live longer than men who mention it.

Senility has been a smooth transition for me.

Remember back when we were kids and every time it was below freezing outside, they closed school? Yeah, me neither.

I may not be that funny, or athletic, or good looking, or smart, or talented. Uh - - where was I going with that thought?

I love being 78, I learn something new every day and forget 5 other things.

I think I'll just put an “Out of Order” sticker on my forehead and call it a day.
