2023 Individual of the Year

Friends for Fun, Safety & Riding

Chapter Director's Spiel

We are finally getting close to a new riding season, and I for one am most definitely looking forward to it! And I can hear my Wing whimpering in the garage wanting to get out and play. I joined three other members on our February ROMEOS ride, for me a 190-mile ride, and it felt soooo good. I'm hoping we can get a lot more members joining us on our chapter rides this year.

Speaking of getting out for rides, just a quick note of caution, as you get out there, remember, the other drivers haven't seen many motorcycles out of the road for a while, so they've most probably gotten out of the habit of "seeing" them, so be extra observant. Also, remember that at this time of the year temperatures can change quickly, especially as you get into the evening, so make sure you've got the extra needed layers with you.

It's getting close to the time for our own TN District "Spring Fling" rally. Information from the District Team says that it is shaping up to be a good time at the new location, and I understand they've got a good number of vendors scheduled to be there, which is always good. If you haven't already registered, there is the Spring Fling Flyer and Registration form near the bottom of this newsletter, and we hope you seriously consider joining the rest of us that are going, it will be fun. And they're planning several guided rides, in their area which I expect many of us have not had many opportunities to discover.

If you have any ideas, comments, suggestions about the chapter, things we're doing or not doing, please let me or Russ know, we emphasize that this is YOUR chapter and your chapter Team wants to make sure the chapter is working to its best and satisfying the requirements of as many of you as possible.

Hope you're all doing well, and I hope to see you at some chapter event soon, take care, stay safe,

Brian Richards, TN-M Chapter Director

Assistant Chapter Director

The weather has been cold and a bit damp as of late so riding days have been few. If you're not one of us who like to ride nearly all year long, now might be the time to start getting the bike ready for the new riding season. We have several great rides to put on the calendar for this year. I look forward to riding with everyone again for fun, great rides, good food, conversations and of course, ice cream.

I apologize, Russ had additional information that he sent me for his article in last month's newsletter, and I missed it, totally my fault. His article first talked about his and Butch's ride, which I put in the newsletter, but he included a couple of photos, that I did not, so I have reprinted his article and included the photos, they are below.

He also had a second section in his article, which is below the photos. Sorry Russ!

Chapter M "Out Having FUN!"

TNM Polar Bear ride, January 1st

Russ Wools

(Editor/Chapter Director's note: I missed getting all of Russ' article for the February newsletter, so I'm reprinting it here, along with the photos he provided.)

Polar bear ride, New Year's Day. Butch joined me at Gondolier for lunch. We then rode up 321 to Hwy-70. We took Ladd Wright Rd. to Lawnville, Rd. Just past I-40 we turned down Ladd Landing Way. We then headed north on Kentucky St, which turns into Sugar Grove Valley Rd/ Maya Valley Rd/ Clax Gap Rd. and finally, into Little Emory Rd Ln. We then turned south on Hwy. 61 toward Harriman to Oakdale Hwy. (RTE -328). We then turned on to RTE-299 then onto Camp Austin Rd. We twisted around the back road until we reached the bridge over the Emory River. We stopped and took a break on the bridge to rest and enjoy the scenery. Though not as scenic as in the summer or fall, it is still a very enjoyable stop.

TNM Impromptu Ride

Russ Wools

Impromptu as it gets!! I was riding to get breakfast in Lenoir City. Changed my mind and got lunch instead. Then instead of stopping at Walmart and heading back home as planned, I headed down Hwy. 321 to Rte. 95. Then down Hwy. 411 to Rte. 360 in Vonore. Followed Rte. 360 around to Cherohala Skyway. I stopped at Bald River Falls since it is expected to be closed for over 1yr and 3 months. At the falls, I hiked up to the top, then continued following the trail up stream for ~1/2 mile, climbing out on several rocks in the river and getting some nice videos and pictures. After hiking back down, I headed back to Tellico Plains to Rte. 39. I took Rte. 315 to Rte. 30. After a spirited ride on Rte. 30 east, I turned west on Hwy 64 toward Cleveland. I then took Hwy 411 north to Etowah. I then headed over to Athens via Rte. 30. Finally stopping at the Sweetwater Walmart, on Rte.

11, for my groceries that I was going to get in Lenoir City. Then continued up Hwy 11 to Sugar Limb Rd. and finally back home via Hwy 70.

My spirited ride may have been a little more than I thought, as I had to replace my rear tire after getting back home. Wish I could get more than 5,700 miles out of my rear tire! Oh well it was a great ride with perfect weather. Just a 6-hr. ride, 195 miles, to get groceries instead of 40 mins., 28 miles.

TNM ROMEOS ride, February 22nd
Ken Gray & Brian Richards

I arrived at the Cracker Barrel around 9:00 a.m. this morning. Joe, Butch and Brian all showed up before 9:15. We decided to make our first Stop at the Melton Hill Dam Overlook and eat lunch at Big Ed's Pizza in Oak Ridge. Since it only takes 35 minutes to get to Big Ed's Pizza from Lenoir City, I came up with a more circuitous route that included a lot of curves and beautiful East Tennessee scenery. The skies were partly cloudy and the temperature was around 70 degrees. That would have been perfect weather for riding had it not been for the constant 10-15 m.p.h. wind. After a brief rider's meeting, the four of us left a few minutes before 9:30 a.m. After stopping at the Melton Hill Dam Overlook, we rode through the communities of Hardin Valley, Karns, Powell, Andersonville, Norris, Clinton and Oak Ridge. The route included some minor back roads and state highways 131, 33, 144, 170, 61 and 95. All of the roads had plenty of fun curves and a variety of awesome scenery. It was around noon when we arrived at Big Ed's Pizza. We rode about one hundred miles up to that point, but before going in for lunch, we walked around Jackson Square to see where we were going for the dinner ride next week and to check out some of the other shops and restaurants. After a great lunch, we continued riding the local roads and highways going through the communities of Marlow and Oliver Springs. I was running low on fuel, so we stopped at the Marathon in Oliver Springs to top off my tank. Then we took the Harriman Highway back toward Kingston and we split up at the intersection of Highway 327 and 58 to head home. We did not see one drop of rain the whole ride, but we did get blown all over the road by the gusty winds. Overall, it was a great ride. For me, it was 136 miles, driveway to driveway. I got home around 2:20 p.m.

Brian's comment's:

Ken did a fantastic job planning and leading the ride, and I second his comments about the weather. It was a really nice day for a ride, it's been quite a while since we've had the opportunity to enjoy a ride like today. I got home a little closer to 3pm, and a total of 190 miles, garage to garage.

TNM Dinner ride, Dean's Restaurant, February 28th
Brian Richards

We had a really nice day for our February Dinner Ride to Dean's Restaurant in Oak Ridge. We had 4 motorcycles and 1 "quadracycle" ride together from the Cracker Barrel back parking lot to Dean's, and we met up with 9 more members there.

Thanks to Ken Gray for setting us up to enjoy the food at Dean's Restaurant. There was a lot of laughs and storytelling around table, we all seemed to be having a really good time. We hope that you will be able to join us at our future Chapter Dinner Rides.
