Friends for Fun, Safety & Riding

Chapter Director's Spiel

We are well into a new riding season, riding as individuals, riding in chapter rides, and even attending different Eagle Wings Motorcycle Association District (EWMA) events and rallies. I personally have recently attended District rallies in South Carolina and Ohio, and have many more planned in the coming months, they're a lot of fun, catching up with friends. But consider, all these rallies are "new" events under our new Association, and there's a certain "learning curve" of the new way of doing things. Of significance is the emphasis on riding and socializing, while still having many of the "FUN" things we are used to plus new ones. There have been more offered guided and self-guided rides, and more chances to sit and visit with old and new friends. Both major hallmarks of our new "world" under EWMA. I hope that you all get many chances to encounter and participate in this new world.

Our chapter has many rides planned in the coming months, as well as many more District events and rallies, check out the "Upcoming Events" section later in this newsletter. We hope you can join us on some of these activities and share in the fun and camaraderie. This is what we joined this organization for.

Speaking of EWMA, I hope you've all heard about the upcoming EWMA Rendezvous, right here in our own backyard, being held at the Knoxville Convention Center, Aug 31 – Sep 02. This is EWMA's inaugural national rally and not to be missed. The registration form is included in this newsletter near the bottom. I've heard that the selected hotels are rapidly filling up, some already full, so make your lodging reservations as soon as possible. You don't want to miss this fantastic event, the FIRST EWMA National Rally!

Hope you're all doing well, and I hope to see you at some chapter event soon, take care, stay safe,
Brian Richards, TN-M Chapter Director

Assistant Chapter Director

I will miss seeing everyone at the June Dinner ride and July Chapter meeting. I have started my annual ride. 3 weeks this year. I will be headed to Canada, Glacier and Yellowstone National Parks for a few of the places I am visiting. I will see everyone at the July Chapter dinner ride. I hope everyone has safe travels.

TNM Ride, Cumberland State park, Jun 17th **Russ Wools**

Chapter ride on 6/17/23 was a very enjoyable ride. Ken and Butch left at 0900 so that they could hike the 3-mile loop. Randy, Marlene, and I left at 1000. We rode north on Hwy. 321 from the Cracker Barrel to 58. We then took Blair Rd to Hwy 61. We cut over to Hwy 27 via Rock Bridge Rd. We then took Rte. 328 to Oakdale to Airport Rd. We cut over to Hwy 70 via Westel Rd. Hwy 127 to Cumberland Mountain State Park. We met Ken, Butch and another EWMA, Glen, a member from Crossville who knows Ken. We had buffet for lunch at the restaurant. While eating Bob and Karen arrived on their trike.

We all left together, except for Glen. We took Hwy 68 to Watts Bar Dam. We rode up River Rd to Hwy. 58. Ken and Butch went North. The rest of us headed south to TN-72. We then took TN-11 to Tic Toc for ice cream. We split essentially from there. It was a great day for riding.

TNM Ride, Cumberland State park, Jun 17th

Ken Gray

Butch was the only person who volunteered to go on the 3-mile hike, so we left the Cracker Barrel at 9:00 am. It was a great day for a hike. Temperature was in the upper 60's when we left. We took Highway 70 West to Crossville. It was a pleasant ride with light traffic. Unfortunately, we caught up to a pickup truck running well below the speed limit in the fun, curvy part of highway 70 between Rockwood and Westel. So, we had plenty of time to enjoy the scenery. We arrived at the state park around 9:20 a.m. and the temperature was still in the upper 60's. After a quick bathroom break and some hydration, we proceeded down the trail. It goes on either side of the creek that receives runoff from the small lake in front of the restaurant, so there was not a lot of elevation changes. That made it an easy hike. The most difficult part of the hike was stepping over the numerous tree roots that ran across the trail. It took about an hour and 20 minutes to complete the hike. The temperature was in the low 70's by the end of the hike and we were starting to perspire a little. We met up with the rest of the group in the parking lot. I had invited Glenn Miller from TN Chapter C2 to join us for lunch. The restaurant opened shortly after we finished the hike and we all had a good lunch. After lunch we rode back to Kingston by taking highway 68 over the Watts Bar dam and then highway 304 to 58 and finally highway 70 again. Total mileage for me was about 128 miles.

TNM Dinner ride, Gondolier's, Jun 27th

Brian Richards

We had four current chapter members and two returning members from many years ago, Bob Youngstead & Susan Atkinson, join up at the Cracker Barrel to ride to the Gondolier's for dinner. We took a nice ride down Highway 70 from 321 to the Gondolier's in Harriman. At the restaurant we joined up with three more chapter members, so we had a nice group to enjoy good food and good conversation.

We were missing a few we normally see, one couple had a medical situation with family come up that required them to take their family member to Atlanta for a special appointment. Hopefully those we missed this month will be able to join us again next month.

Some "Fun" stuff to brighten your day.

Lexophilia - Although not in the dictionary, it is reported that "Lexophile" describes a person who loves sentences such as, "You can tune a piano, but you can't tuna fish," and, "To write with a broken pencil is pointless."

An annual competition is held by the 'New York Times' to see who can create the best original lexophile.

This year's submissions:
