Friends for Fun, Safety & Riding

Chapter Director's Spiel

Well, we're finally reaching the end of the "nice" riding season, except for the hardy souls that will ride anyway (thank goodness for heated gear!). If you decide on going out for a ride on a nice day, just remember how quickly the weather can change and be careful, and be prepared, if you're out later than you had anticipated, you're liable to get into much cooler temperatures in the evening timeframe. And also be careful of leaves on the roadway, they can be really slick, especially in the early morning when they may have dew on them.

We've started the planning for the annual chapter Christmas party, we'll be using the same caterer as the last several years, and we'll be at the same location as last year in Vonore, thanks to James Whitener. It will be the first Saturday in December, the 2nd, starting at 2pm, and we'll have the same "Dirty Santa" gift "exchange" (???) as we've done in the past, as well as the awards ceremonies, so be prepared. We're going to have a good time, and we hope you will be able to join all your chapter friends.

Looking at the bigger picture within the Eagle Wings Motorcycle Association, membership continues to grow. Within Region A (AL, FL, GA, MS, NC, SC and TN), there's been a couple new chapters formed as well as many new members. And our Region Directors, Jim & Sue Jackson, worked hard with the seven District Directors in the planning for each of their District Rallies for next year. This year we had several instances of District Rallies back-to-back on subsequent weekends, which is not optimum for the members. In 2024 there will not be any Region A District Rallies on sequential weekends. And speaking of rallies, hope you're all looking into attending the 2nd EWMA Rendezvous, in Green Bay, WI, Aug 29-31. This is the first time between both the old and the new Associations, that the "Major" rally is being held in Green Bay, so it should be interesting. I know several of our members are already registered, and/or are planning on going, so hope you can join us. See the Rendezvous registration form below.

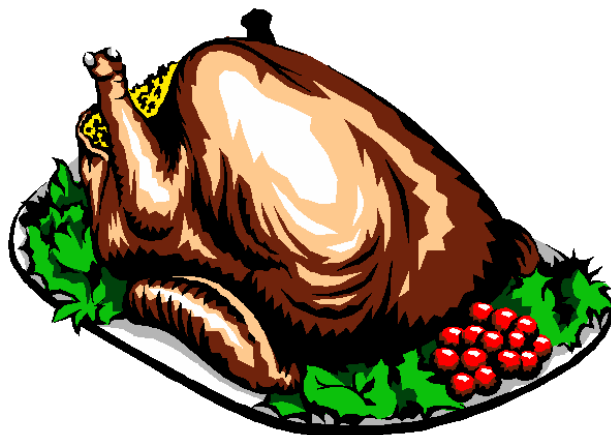

And speaking of rallies, yes, we're done with rallies for 2023, and had some great fun and rides, but we're already looking forward to 2024. The first two District rallies within Region A are the Florida District Rally, March 14-16, and our own Tennessee District Rally, April 25-27. Registration forms for both of them can also be found below.

We had a great time with our "sister" chapter TN-A2, Maryville at their 1st annual "Chili Cookout". They did a fantastic job setting things up, they had several corn-hole boards set up, which saw a lot of use, and a lot of laughs, from the participants as well as the audience. They also had a hand-made of 2x4 boards tower for "Jengo", and it was interesting watching the intensity of the concentration of those trying their best NOT to knock over the tower. Sure made a loud bang when it came crashing down. And for anyone that likes chili, I don't think they would have had any possibility of NOT finding at least ONE style that they enjoyed, I counted 10 different pots of chili spread out on the table, along with stuff to go with them, and of course, LOTS of desserts. TN-A2 did an outstanding job setting this up and we look forward to more fun in the future.

We still will have chapter activities ahead for us, so I hope to see many of you on one or more of them. Hope you're all doing well, take care, stay safe,

Brian Richards, TN-M Chapter Director

Happy Thanksgiving

Assistant Chapter Director

I want to say a very heartfelt Thank You! to our sister chapter, TN-A2, for a great day during their Chili Cookout. We had a great time tossing cornhole, large scale homemade Jenga and had some amazing chili. It was impossible not to be stuffed afterwards!

It is nearing the holiday season, with Thanksgiving less than a month away now. I hope everyone has a very Happy Thanksgiving.

It may be on the chilly side of temperatures now in the mornings, but the afternoons have been quite mild. Get out there and enjoy the fall colors as they are starting to peak. Just be on alert for wildlife as they are also getting out and about!

Russ Wools, TN-M Assistant Chapter Director & Chapter Safety / Ride Coordinator

Chapter Clothing/Flags & Hats

Questions about chapter “shirts”? Contact either Marlene or Brian. We also have a great source for shirts and vests and where to get them embroidered as desired and patches sewn on, with Terrilynn Brown of TJ Brown Enterprises LLC, the EWMA authorized source.

Chapter M “Out Having FUN!”

ROMEOS Ride, Oct 18th

Ken Gray

I left my house around 8:15 a.m. There was light fog in the area. As I was pulling on to the highway, I saw, at the last second, a white pickup truck driving in the fog with no lights on. What an idiot! I almost pulled out in front of him because I didn't see him approaching. You should always turn on your headlights when driving in the rain or fog so other people can see you. The fog cleared up a few miles down the road. The temperature dipped down to 39 degrees on the way over to Lenoir City.

Joe, Butch and I left the Cracker Barrel around 9:00 a.m. The sun was shining and it was around 46 degrees. I thought, 'What a great day for a ride'. When we got to Friendsville on highway 321, we were completely engulfed in the fog again. I had to slow down to around 45 mph because I could only see about 250 feet in front of me. We rode in and out of the fog until we got through Maryville where the sun finally burned off all of the fog. We took the Foothills Parkway to the Look Rock parking area. There was plenty of color in the leaves along

the Parkway making for some pretty scenery. At the Look Rock parking area, we hiked the half mile trail up to Look Rock. Wow, what an awesome view from the Look Rock Tower. After our one-mile hike, we rode to the end of the Foothills Parkway and then took highway 129 to Punkin Center where we got on highway 72 over to Vonore. We stopped at the Mobil gas station for gas and a restroom break. Then we took highway 360 to Ball Play and then took Ball Play Rd to Madisonville. We stopped for lunch at the Lamp Post Restaurant. After lunch, we took highway 411 through Madisonville and then highway 68 over to Sweetwater. In Sweetwater, we got on highway 11 and rode back to Lenoir City, where we split up. I forgot to check my odometer reading before leaving the house, but I guess I ended up riding about 170 miles total. I got home around 2:45 p.m.

Ride to Fall Creek Falls 9/30/23
Russ Wools

Butch and Randy joined me on the ride to Fall Creek Falls. We left Cracker Barrel at 0930. We rode past Lenoir City High School down the Sugar Limb. Then riding down US-11 to TN-72. We rode past the very ripe smelling dump on TN-72 to TN-322. We then took back roads down to TN-68. We stopped at the gas station at the new traffic circle at the intersection of TN-58 and TN-68. We then took TN-58 to TN-30. We stopped for lunch at Jacob Myers Restaurant. It was amazing, large portions and great taste. Definitely a place to revisit! From there we continue on TN-30 over to Fall Creek Falls. We stopped at the Betty Dunn Nature Center and Rockhouse Falls. We then rode around to Fall Creek Falls. There were hundreds of trees that had been uprooted by the recent storms. It made the few down in Knoxville during the tornado seem very light! The falls were flowing a bit light due to the lack of rain lately. After the falls we rode back TN-30 to TN-101 up to Crossville. We made the ride official by stopping at Dairy Queen. After our ice cream, we rode back TN-70 to Kingston where we began to split up. The weather and the ride were absolutely perfect.

Ride to Diamond Gusset Jeans and Jack Daniels Distillery 10/14/23
Russ Wools

No one wanted to go on the ride to Jack Daniels, probably in part due to it being an overnight ride. So, Randy, Butch and I decided to do the ride all in one day. But before the ride Butch decided not to go, so only Randy and I went. We met at KES in Kingston instead of Cracker Barrel to save a little time. So leaving KES at 0800, we rode out TN-70 to Crossville to the new traffic circle at TN-392. We took TN-392 then TN-101 to TN-285. We rode past Bledsoe County Correctional System on TN-285 all the way to TN-111. Unfortunately, TN-285 had a layer of asphalt and was grooved covered with asphalt marbles. We continued straight across TN-111 to Cumminsville and Sparkman rd. We continued on backroads around to Post Office Rd. then onto US-70S. We followed US-70S south to TN-55W. Since neither of us had been to George Dickel (Cascade Hollow Distillery), so in Tullahoma, TN, when we reached US-41A, we detoured up to George Dickel. We lucked out, as we arrived about 15 minutes before the next tour. So, we did the next tour which was very interesting. It is a small distillery but still produces a lot of alcohol. They had several open vats of fermenting alcohol which you could see the flow as it entered the top of them. They have many barrel houses in the hills around the distillery that are not visible on the tour.

After George Dickel, we returned to US-41A for lunch at Jersey Mikes Subs. We then headed down TN-55 to Jack Daniels, which was only about a half hour away. Unbeknownst to us, they were having a BBQ smoke day at Jack Daniels. The place was packed. They were parking people 2 miles away at the high school and busing you to the distillery. Thankfully, they have a very nice motorcycle parking area where we found 2 spots open. We checked on the schedule for tours. Again, we lucked out that the next one would be in about an hour. So we walked the half mile or so to the town square. The square was closed to vehicles and the streets were lined with

several vendors. We went into a few shops and vendor tents. We toured the old prison. Then we headed back for our tour. It is amazing see the process of the distillery even though I had toured here before.

After our tour it was near 1630 and time to head for home. We headed out TN-50 to Winchester, TN, then up US-64. After crossing over I-24, the road turns to TN-50. TN-50 has several nice curves. We then headed east on TN-108 which was closed right after where we needed to turn on TN-399. We then turned onto Fedona Rd, which Randy referred to as a goat trail, as it was a bit rough.

At the end of the road, though, it became quite curvy with a few switchbacks. The only problem was it was getting dark. We turned on US-127 for a short stent then onto TN-111 to the next exit. That is E. Valley Rd., which we followed up to TN-348 for even more dark and curvy roads. However, at the end of TN-348 the road got much lighter, the rocky chip seal covering was lighter that is. TN-310 (Graysville Rd.) had been freshly chip sealed and had lots of loose gravel everywhere. Thankfully, it only lasted about 2 miles. Then on TN-318 there were 3-4 sections of about 50 yards that had been chip sealed. We eventually ended up on TN-30 in Dayton, TN and now it is completely pitch dark. So we changed up the last part of the route so we could get home faster. We headed north on US-27 to Harriman and then I-40 back toward home. I arrived home at 2040 and Randy about 2115. In all, about a 14-hour day, covering ~400 miles, two distilleries and two tours. An absolutely great day!!

TNM ride to TN-A2's 1st Annual Chili Cookout, October 21st
Brian Richards

We had 9 members that traveled to the TN-A2 1st Annual Chili Cookout, and we had a great day. It was a nice ride there, and we ended up having a beautiful day, weather-wise, which was very much appreciated. TN-A2's team had several outdoor games set up for everyone to enjoy, a hand-made set of Jengo blocks cut out of 2x4s, that challenged many members' steadiness and concentration (although a couple of us lost out, bringing the tower tumbling down, darn). They also had several sets of corn-hole boards that were put to good use, and a lot of laughs and groans. And there were 10 different pots of chili to be tried, and as per usual a bunch of desserts, and

from comments made, it sounded like everyone had an enjoyable meal, so it appears that the cookout was a success and we can expect there to be another one next year.

TNM Dinner ride, Dean's Restaurant, Oak Ridge, October 24th
Brian Richards

We had 7 members meet up at the Cracker Barrel to ride together to the restaurant, and we met with 6 members already there, so it was a nice group enjoying an evening together. There was a mix-up with our reservation, the restaurant's policy is to not set up the tables till everyone is there, so once everyone got there, we had to wait quite a bit until people sitting at the individual tables the staff planned to rearrange for us, to finish their meals and leave. Eventually, the tables were put together and we were able to sit down to get some food. (Please notice what one member decided to spend some time on while waiting, LOL).

Upcoming Chapter rides & events
