Friends for Fun, Safety & Riding

Chapter Director's Spiel

We'll, we're about to start a whole new year, it's hard to believe that 2023 is gone! Where did the time go? It was a year with some ups and downs, but that's just life, we just have to keep on keeping on. And we wish all of you an enjoyable and prosperous new year in 2024.

We'll be planning a meeting to develop a chapter TN-M 2024 Ride Calendar, which will be immediately following the end of our January chapter gathering on the 9th, so be thinking of ideas of rides you'd like to see on the calendar. Anyone that can stay after the gathering ends is strongly encouraged to help us come up with some great suggestions.

I hope we're all looking forward to an enjoyable year coming up. And we get many chances to get out there together for some fun rides. The camaraderie that we share just makes it all that much better. Any ideas any of you have for things to do together, as well as possible rides, are greatly appreciated. And many of us, time/schedule permitting, are often up for an "Impromptu" ride, so if there's a nice day coming up and you feel that need to get out on your motorcycle, and would appreciate some company, bring it to our attention, either me or our Chapter Safety/Ride Coordinator, Russ Wools, and we'll do our best to get the word out to the other members.

I recently received an updated chapter membership listing from the Eagle Wings Motorcycle Association's Membership VP, and it is still missing several known chapter members. This list is generated from the EWMA's master membership roster, with the chapter list being extracted based on each member's annotated "Chapter" in their member profile. This profile is available through the EWMA's website (ewma-world.org). Each member must update their own section. To do this, after logging into the main website, hover the cursor over your member name in the upper right-hand corner and in the drop-down box you can click on "Profile". In the screen that comes up, there are 8 boxes for different information (it would be a good idea to go through each one to make sure all the information on your is correct). In the box titled "More Member Options", click on "Chapters/Additional Members". Next to your name is a link to "Add Chapter", so click that and input "TN-M" to make it show you are a member of this chapter. You also have the option of adding more chapters if there are other chapters you do things with. Bottom line, for the Officers at all levels, top all the way down to the chapter, it is very important for many considerations, to know all the members of the chapter, which can only be accomplished by each of you updating your profile. If you have any questions or problems, please let me know and I will be glad to help.

**I wish everyone a very
Happy New Year**

Hope you're all doing well, take care, stay safe,
Brian Richards, TN-M Chapter Director

Chapter M “Out Having FUN!”

Impromptu Ride, Nov 9th

Ken Gray

This time of year, there are not a lot of really nice days to ride. This week we had several nice days in a row, so I decided to take advantage of the great weather and plan a ride. Butch and I left the Cracker Barrel parking lot around 9:00 a.m. The temperature was already close to 60 degrees with plenty of sunshine. We took highway 95 to Greenback and then made our way over to route 129 and rode the Dragon to Deals Gap. There wasn’t much traffic on the Dragon due to it being mid-week in November. We met several vehicles coming the other way, but we had no one in front of us and only got passed by one person on a sport-touring bike. I waved him by on a short straight because he was obviously wanting to ride faster than us. We were able to ride at our own pace all the way through, riding somewhat conservatively so we didn’t wear out our tires and brake pads prematurely. We stopped at Deals Gap to remove a layer of riding gear and a restroom break. We continued on route 28 past Fontana Village to Franklin, North Carolina. We stopped for lunch at Ms. Lois’s restaurant in Franklin. The temperature was now in the mid 70’s, so time to remove another layer before heading on down the road. We were only averaging about 40 miles per hour to this point because of all the sharp curves. Leaving Franklin, we took highway 64 to Highlands and Cashiers. These are both big tourist towns and we caught up to many ‘Looky Loos’ from out of town that were driving below the speed limit so they could see the awesome scenery as they drove through the mountains. Fortunately, many of them pulled over on the pull outs so we could get by them. Our goals for the day were to enjoy the great weather, ride some awesome roads through the mountains, enjoy the wonderful scenery and get home before dark. In Cashiers, we took route 107 to Sylva. We eventually made it over to 441 and took that to Cherokee, North Carolina. We stayed on 441 and entered the Great Smokey Mountains National Park. After stopping at the Oconaluftee visitor center for a bathroom break, we rode over Newfound Gap and then took the Little River Road to Metcalf Bottoms picnic area. From there we rode to Wears Valley and got on route 321 riding back to Lenoir City. We made it home before dark, in spite of the many

'Looky Loos' we encountered that were driving below the speed limit. For me, the ride was 314 miles, driveway to driveway.

ROMEOS Ride, Nov 16th
Ken Gray

I arrived at the Cracker Barrel around 8:35 a.m. The sky was cloudy and the temperature was around 48 degrees. Brian arrived about ten minutes later. No one else showed up, so we left around 9:00 a.m. heading towards Greenback. From Greenback we took highway 411 over to Vonore and then highway 360 to Tellico Plains. We rode on the Cherohala Skyway over to Robbinsville, North Carolina. Temperature up on the Skyway was around 50 degrees and increased to around 60 degrees in Robbinsville. The traffic was light, and we had no one in front of us while we rode briskly through the curves along the Cherohala Skyway. South of Robbinsville we took highway 74 West to Andrews. We stopped for lunch at a little hamburger joint in Andrews called the Burger Basket. It was very good, and I will probably eat there again when I am in that area. The clouds had thinned out a bit and the temperature was around 65 degrees by the time we finished lunch, so we removed a layer before heading on down the road. We continued on 74 West past Murphy and then turned on to highway 294 and rode that over to highway 68. This section of highway between Turtletown and Tellico Plains has a lot of fun curves. But we didn't get to enjoy them very much because we got stuck behind a slow-moving box van for several miles. We encountered a few passing zones, but I don't like to use them on a two-lane highway because you never know when someone is going to pull out of a driveway, or another vehicle will start coming the other way when you are right beside the vehicle you are trying to pass. Also, the vehicle being passed always seems to accelerate on the straightaway while you are trying to pass it. After about the third passing zone my frustration level got to be too much, so I decided to go for it at the next passing zone. Brian and I got around the box van safely and then we had a wonderful time riding briskly through the curves with no one directly in front of us. When we got to Madisonville, we turned on highway 411 and rode that back to Vonore. I turned on highway 72 in Vonore and headed back to Lenoir City while Brian went straight heading back to Maryville and Corryton. I got home around 3:30 p.m. For me, the ride was 261 miles, driveway to driveway.

Chapter Christmas Party, Dec 2nd
Brian Richards

Well, another chapter Christmas party has been enjoyed, we all had a nice day, regardless of the dreary, foggy, rainy day outside. We all met at the Vonor Community Center and started mixing and mingling. The caterer showed up in the pouring rain, poor soul had to cart all the food, heating pans, etc., in through the rain. And we had to keep a watch on the door, not only to open it for him to come in, but also to keep a very inquisitive duck from coming in with him, LOL.

We were scheduled to have 18 members together to have some fun, but unfortunately, we lost 7 of them due to sudden sickness. Darn, they were missed.

After we all enjoyed another great catered meal from Shoney's, it was time for fun. First up were the annual awards. Certificates of Appreciation for their contributions as the Special Couple Of the Year and Special Person Of the Year for 2023 were presented to Mel & Renee McInerney (Mel was sick, so Renee got all the limelight), and James Whitener. Then certificates were presented to the Special Couple Of the Year and Special Person Of the Year for 2024, Randy & Marlene Kinney and Butch Hertzog (who wasn't there, being sick at home).

The high mileage awards were presented, 1st place to Russ Wools for 27,004 miles, 2nd place went to Brian Richards for 16,581 miles, and 3rd place to Ken Gray for 13,906 miles. The overall total for the chapter for 2023, based on those members that were able to submit their odometer readings, was 84,390 miles.

After all the awards, it was time for the "Dirty Santa" gift exchange. There were lots of nice gifts, and surprisingly, there were no steals. Everyone got to keep the gift they unwrapped.

After everyone pitched in to put the tables and chairs away, a quick cleanup, and we all headed home.
