# Friends for Fun, Safety & Riding

## Chapter Director's Spiel

We've been busy getting information together about rides and events this coming riding season. We've published our TN-M 2024 Riding Calendar and there's lots of fun rides on there, plenty of choices for everyone to pick those rides they are most interested in. There's also quite a few different District and EWMA rallies for each of us to consider. As usual, the first one to start things off, at least in our neck of the woods, is the Florida District rally, this year in Gainesville, FL, March 14-16 (a flyer and registration form can be found near the bottom of this newsletter).

Of course, after the FL rally, there is our own Tennessee "Spring Fling" rally, again in Johnson City, the same location as last year, April 25-27 (a flyer and registration form can be found near the bottom of this newsletter). You ARE already registered for it, or seriously considering it, right? It'll be a lot of fun, Richard and Connie and their Team are working hard to set up a fun rally for all of us, with lots of activities and events to thrill everyone, including a couple of guided rides, games, etc. After the TN rally, over the course of the riding season, there are several other rallies to interest everyone, and you can find them listed on the TN-M Ride Calendar, or in the "Upcoming District/Nearby rides & events" section of this newsletter, further below, or if you have any questions, please feel free to contact me.

EWMA has asked each Region to also put on some kind of a rally/ride-in for the members. Since our Region, Region A, consists of seven Districts (AL, FL, GA, MS, NC, SC and TN), that's seven rallies, so our Region A Directors, Jim and Sue Jackson, decided to combine the Region event with the GA Ride-In, so it will be a joint event, June 13-15, in Dillard, GA, with lots of guided rides, games, and some safety presentations.

And there's also the granddaddy of rallies for all of us, the Eagle Wings Motorcycle Association's 2<sup>nd</sup> annual Rendezvous, this year in Green Bay, WI, August 29-31. This is our organization, and we need to help support it, so hopefully you're seriously considering attending. There are quite a few TN-M members that have already indicated they are registered or intend on going to the Rendezvous. A suggestion, those that are interested, maybe we can plan a get together to consider riding together in a group, working up an enjoyable route to get there and back, etc.? Let me know if you're interested.

Of course, thinking of all the coming riding we can enjoy, we first must all make sure that we are READY, and that "we" includes ourselves (physically, mentally and emotionally), our riding gear (for all the possible riding conditions, rainy, cold, warm), and most especially, our trusty steed! Make sure everything is checked and up to par to keep us safe and comfortable. We hope you all are prepared and ready to enjoy another fun year of activities together, that's what this association is all about, getting together with friends and having an enjoyable time. We want to share our enjoyment with our friends.

Hope you're all doing well, take care, stay safe,

**Brian Richards, TN-M Chapter Director**

## Assistant Chapter Director

I hope everyone had a Happy Valentines Day. Everyone, break out their green attire for St. Patrick's Day. It is getting very near for our chapter ride season to start. Now is the time to inspect your bikes and riding gear for the upcoming riding season. Everyone make sure you are registered for Spring Fling that is going. Everyone who is not planning on going, think about it again. It is a lot of fun and a great way to spend time together. Look forward to seeing you there.

## Chapter M “Out Having FUN!”

### Going for a ride, Feb 3<sup>rd</sup>

#### Russ Wools

What a nice day for a ride; warm and mostly sunny. I headed down TN-95 to Greenback to US-411. I then took TN-360 to Tellico Plains. I then headed down TN-39 to TN-315 to Reliance, TN. This is where TN-315 meets TN-30 just after crossing over Hiwassee River. I took TN-30, a nice and curvy road, down to US-74. Once on US-74, I saw a sign for an overlook that I had never been to. So, I turned up Oswald road to see the views from the overlooks. I stopped at the Sugarloaf, Sugarloaf Mountain and Chilhowee Mountain overlooks. Some very nice scenery. I am sure would be even better in the summer and fall. I continued up the mountain just to explore. I ended up at a small lake called McCamy Lake. There is a nice picnic area, good potential for chapter ride, and trails there. I didn't stop there, just turned around and headed back down the mountain. Once back on US-74, took US-64 down to Chattanooga for a little window shopping, including looking at a 2024 Goldwing Tour. After lunch and more shopping, I headed over to Chickamauga Dam, one of my favorite places to stop and just relax. I took some more videos and pictures of the birds, water, and trains. It had become almost sunset by this point, so I headed back up TN-58 toward Kingston and finally on back home. Very satisfying ride, seeing a new road, views and all the scenic sights everywhere else. Just a mere 275-mile day.

### **TN-M ROMEOS ride, Feb 21<sup>st</sup>** **Ken Gray**

It was 30 degrees when I left my house, but there was no wind, and the sun was shining. By the time I got to the Cracker Barrel in Lenoir City it was already up to 38 degrees. Brian, Butch and Joe were already there, ready to ride. We left around 9:00 a.m. and we zigged and zagged through Farragut, Hardin Valley, Karns and Powell. We ended up on route 131 headed toward Corryton. When we got to route 33, we turned left and headed toward Maynardville. At the intersection with route 61, we turned left and headed toward Big Ridge State Park. This section of route 61 has a lot of fun curves and a few extremely difficult, uphill, hairpin turns. We got through them unscathed, but it wasn't pretty. We probably need to practice that technique a little bit so we can get through them without crossing the center line. After passing by Big Ridge State Park, we stayed on route 61 through Andersonville and then took route 441 to Norris and rode over the Norris dam to Rocky Top. We stopped for lunch at the Little Vols Diner in Rocky Top. The temperature had risen to around 47 degrees by then, so time to remove a layer. We had a great lunch and then started heading home. Brian headed back to Corryton from there and the rest of us got on Dutch Valley Road, headed toward Oliver Springs. Joe turned off on Sulphur Springs Road and went back to Clinton. Butch and I continued on Dutch Valley Road to Oliver Springs and then took Old Harriman Highway and Poplar Creek Road toward Kingston. At the intersection with route 58, I went right, and Butch turned left heading toward home. I got home around 1:00 p.m. What a beautiful day for a ride. The traffic was light most of the way and we were able to set our own pace. The ride was about 120 miles for me.
