Friends for Fun, Safety & Riding

Chapter Director's Spiel

The riding season is in full swing - other than some unfortunate cancellations due to being hassled by Mother Nature and the many storms that we've had to deal with lately. But we have gotten out a few times, and looking forward to many enjoyable rides in the months ahead. Check out the schedule further below this newsletter.

There are several Region A Rallies coming up in the coming months (also listed in the schedule below). Of particular interest due to us being a member of the EWMA Region A, is the combined GA/Region A Ride-In, coming up June 13-15. Our Region A Directors, Jim & Sue Jackson, felt with there already being seven Region A District Rallies planned for 2024, he did not want to add one more to represent Region A, so he coordinated with the GA District Directors, Tommy & Vickie Martin, to combine the two events, and we're looking forward to a fun time, enjoying Dillard GA and the surrounding area with some fun guided rides, as well as the normal rally events. The rally is being held at the well-known Dillard House, and the rally's Friday meal will be provided by the famous Dillard House restaurant. We sincerely hope that you will consider joining us at what is expected to be a very enjoyable rally. You can find the rally flyer and registration form further below in this newsletter.

The EWMA VPs for Member Benefits, Bill & Cheryl Smith, have been diligently working on finding more and more benefits to offer members. The best suggestion for finding out what is available, is to log into the EWMA website (ewma-world.org) and click the link along the top banner "Member Resources", then in the box that opens up, click "Benefits & Services" and you can scroll down the list to see what is available to you as an EWMA member. And check it regularly as Bill & Cheryl are constantly looking for new benefits to add.

We are still strongly encouraging members to update their member profile, to indicate the chapter or chapters that they want to be associated with, and to indicate the assistance they are willing to offer to other members, found through the "Eagle Services" section. This "services" is similar to the Book our previous organization put out annually, but in electronic form accessible through the members' computer or smart phone. If you need help to accomplish these two critical updates, please contact me and I will work with you to get it done. Having the information updated is critical to the Districts and Chapters, but also to members.

Keep watching your emails for updates to the chapter's plans for rides and events, as well as the chapter's website, ewmatn-m.org for any updates.

Hope you're all doing well, take care, stay safe, and I hope to see you at a chapter activity soon.

Brian Richards, TN-M Chapter Director

Assistant Chapter Director

The past month has been up and down as far as riding is concerned. The weather has been very uncondusive to riding. But there have been several good days mixed in. So while you are out there enjoying the day don't forget that others are out there as well. The 4-wheelers we must interact with and the wildlife also. Just the past week, a deer walked across in front of me, 2 large turtles and a snake. The squirrels have been very active as well; no less than 20 playing in the road. The turtles were greater than 1' across the shell. They would easily put a bike down. The moral of the story is to always ride alert and expect the unusual to happen.

Chapter M “Out Having FUN!”

Cherohala Skyway ride May 11th Russ Wools & Brian Richards

The chapter ride of Cherohala Skyway occurred on May 11. Brian, Joe, Butch, Ken, Mel & Renee, Ken’s neighbor Rick and I left the Cracker Barrel parking lot at 0830. We headed down through Tellico Village on TN-444 to TN-72. We headed over to Vonore up US-411 to TN-360. We had a little zest of a ride on TN-360 over to Tellico Plains; stopping at the Exxon station. We then continued to Cherohala Skyway stopping at the Turkey Creek rest stop. From there we spiritedly continued to Robbinsville, NC to eat lunch at Lynn’s Place.

After a delicious lunch we took NC-143 to NC-28. We continued on NC-19/74 to Cherokee, NC to US-411. We stopped at the Oconaluftee visitors center before riding through the Smoky Mountain National Park. We then stopped at the Sugarlands visitor center. It was here that Renee realized she no longer had her purse. Someone had called their son to let them know the purse was turned in to the visitor center. So Mel and Renee headed back to Oconaluftee to retrieve the purse as the rest of us headed on to Maryville and home. Brian and I headed to Dairy Queen in Maryville as Ken was leading everyone else back to Lenoir City and home. After Dairy Queen, Brian and I split up and headed for home. It was a great day for riding!

Here are a couple pictures from the ride, at a rest break in Tellico, and at an overlook on the Cherohala Skyway, with the fantastic scenery in the background and the beautiful blue sky, the weather for us was very enjoyable, a great ride.

TN-M Dinner ride, May 28th
Brian Richards

We had a good group getting together for fun and food at the Gondolier's restaurant off Cedar Bluff. Four bikes, with 5 members, left the Cracker Barrel back parking lot for a nice, scenic ride to the restaurant, and we met up with 8 more members there. We enjoyed some good food, and fellowship, and there were a few stories passed around, as usual. We also had a member show up that we haven't seen for quite a while, Burl McCammon, it was good to see him.

We played the "Quarters" game, as we like to do, and Ken was lucky enough to get his meal last (?), so he got the quarters.
