Friends for Fun, Safety & Riding

Chapter Director's Spiel

Well, we're really into the riding season now, and we hope that you all get a chance to get out there for some enjoyable rides, just be careful, be watchful and be alert for people doing their own summer celebrations and not paying proper attention. PLUS, take care to be prepared for the weather, we've had quite a spell of uncomfortably hot weather, so do the best you can to stay cool, and more importantly, stay hydrated.

We're going to have a couple fun rides this coming month, check out the ride calendar below and see what you might enjoy joining us on.

We're getting closer to the BIG rally for our Association, the EWMA Rendezvous II in Green Bay WI. The EWMA National Team is working hard to get everything lined up so we can all have a fantastic time. There'll be vendors, presentations, guest speakers, games, bike games, bike shows, guided and self-guided rides, attractions to see around the area, something for everyone. The flyer and registration is below, and we hope that if you haven't already, you'll seriously consider joining a whole bunch of your fellow EWMA members in Green Bay and having some fun.

And don't forget to stop and reflect on this upcoming holiday of "Independence Day", how it came about, what it stands for, and all that has gone into obtaining and maintaining our country's independence.

Keep watching your emails for updates to the chapter's plans for rides and events, as well as the chapter's website, ewmatn-m.org for any updates.

Hope you're all doing well, take care, stay safe, and I hope to see you at a chapter activity soon.

Brian Richards, TN-M Chapter Director

Assistant Chapter Director

I hope everyone is doing well. I am out gallivanting in the western parts of the country at the moment. I am also attending the EWMA International Ride-In, in Loveland, CO. I will add more to next month's newsletter about my current trip. I hope everyone has a safe and happy 4th of July.

Russ Wools, TN-M Assistant Chapter Director & Chapter Safety / Ride Coordinator

Questions about chapter "shirts"? Contact either Marlene or Brian. We also have a great source for shirts and vests and where to get them embroidered as desired and patches sewn on, with Terrilynn Brown of TJ Brown Enterprises LLC, the EWMA authorized source.

Chapter M "Out Having FUN!"

TN Monterey Railroad Museum Ride, June 1st

Russ Wools and Brian Richards

On June 1st, Brian, Butch and I did a chapter ride to the Monterey, TN train museum. We headed out from the Cracker Barrel via the standard route to Blair rd. From Blair rd., we turned right on TN-61, to Oliver Springs. We then took TN-62 to Wartburg, stopping at the Obed River Visitors center for a rest stop. We continued on TN-62 all the way to Monterey. We then went slightly past the train museum to eat at Hardee's. We rode a little quicker than I expected, so we arrived about 10 mins before lunch was being served; so, we had to wait. After lunch, we headed back to the train museum. There is a lot of interesting displays and history there. The gentleman behind the counter was more than delighted to give us information on most of the items on display. He did recommend that we visit Bee Rock while we were in Monterey. None of us had been there but we decided to check it out. Bee Rock rd. is just south of I-40 on TN-70N. It was about ¼ mile back and the road was gravel. The views, however, were well worth it. After enjoying the views, we headed back TN-70N to Crossville. We then rode back to Rockwood on TN-70. Once back in Rockwood, we split up from the Walmart parking lot.

The museum attendant, when explaining about Bee Rock, told us that from the edge of the cliff, it was 900 feet down to the bottom of the gorge. What a truly awesome sight, and we decided that we wanted to most definitely make a return trip during the fall when the leaves are in color. You can see the pictures that we took from the top of the cliff, and just imagine all that scenery dressed up in fall colors!

Brian & Butch on the back of the display car.

TN-M ROMEOS Ride, June 19th
Ken Gray

I arrived at the Cracker Barrel around 8:45 a.m. Butch and Joe were already there. No one else showed up, so we left at 9:00 a.m. Joe had an early morning doctor appointment, so I was planning on meeting up with him at the Weigel's on Northshore and then taking I-140 to Maryville, but he got done early and was able to meet us at the Cracker Barrel. Because of this, I needed to modify my planned route for the day. I decided to run the route in reverse with a few modifications. When we left the temperature was around 75 degrees and the sky was hazy with a few clouds. The clouds kept the temperature tolerable and made for a pleasant ride. We wound our way down to highway 11 and went south to Sweetwater. There was an accident on I-75 North, which caused many people to get off the interstate at Sweetwater and head North on highway 11. This caused a huge traffic jam. I am glad we were heading south. In Sweetwater, we turned left onto highway 322 East. After a few miles, we caught up to a large tractor pulling a sprayer. It was too wide to pass it safely because there was not much of a shoulder on that road, so we followed it for a few miles before it pulled off on a side road. When we got to Vonore, the traffic mostly disappeared and we could ride at our own pace the rest of the way. We took highway 72 over to 129 South through Pumpkin Center and Tallassee. Just past the turn for the Foothills Parkway, we turned left and rode through Happy Valley and Top of the World, crossing underneath the Foothills Parkway and winding our way back down to highway 321 near Walland. We were riding in the shade for a good bit and the clouds kept the temperature in the low 80's. We all enjoyed the beautiful scenery and the fun curves, except for one difficult, uphill, hairpin turn just before arriving at Top of The World. Back on highway 321, we took that to Maryville and stopped for lunch at the Smokey Mountain Brewery. After Lunch, we took highway 321 back to

Lenoir City where we split up to go home. We all enjoyed the ride so much that I am thinking about taking that route again in a few months. For me, the ride was 146 miles, driveway to driveway and I got home around 1:20 p.m.

TN-M Dinner ride, June 25th
Brian Richards

We had a good time at the Calhoun's in Lenoir City, there were 13 of us, counting Randy & Marlene's two grandsons. There was good food, enjoyable stories, and just a good time all around.

We played the "Quarters" game, as we like to do, and Bob Fisher was lucky enough to get his meal last (?), so he got the quarters. The two grandsons had also "played" (I think I saw Grandma dropping those extra quarters on the table), and were sure hoping to win, and they were close.
